

Queerwest is a three-day event produced by **the Roxy Theater** to celebrate Montana's diverse LGBTQ+ population. The event will take place **June 6-8** to commemorate Pride Month in Missoula. It features a block of shorts from filmmakers around the world, a drag show produced by Montana Drag Wrestling as well as several feature films. The theme for this year is Queer Joy.

Join us! By becoming a sponsor of Queerwest Film Festival, you'll be helping kick-off pride month in Missoula and supporting queer voices and stories in cinema.
